

QuRP-RPGR 2023 Partnership program

Exclusive for students & faculties from Karnataka

20th – 23rd November
The Lalit Ashok,
Bengaluru

About the conference

The annual international conference on “Recent Progress in Graphene and 2D Materials Research” is being held in Bengaluru, India this time. RPGR 2023 will bring together 2D materials experts, rising stars, and industry representatives from India and abroad. The conference will capture the latest and most impactful developments in the field. At the same time, it will enable the delegates to receive a deeper perception of how this rich field is rapidly evolving, where the biggest challenges lie, and what the future outlooks are.

More about the conference: <https://rpgr2023.org/>

Abstract submission

If you are interested to participate in the poster presentation at RPGR 2023, Kindly send your abstract to office.qurp@iisc.ac.in, in the prescribed format (<https://iqti.iisc.ac.in/Abstract.docx>).

Your abstract will be considered for evaluation after you complete the registration process. For more details kindly visit our webpage [QuRP webpage](#)
