Deadline: 30th April 2026

Extended Registration Deadline: 10th May 2026

Limited seats—first-come, first-served. Register now.

About the event

- A unique platform to explore opportunities within the IISc quantum ecosystem, engage with national hubs launched under NQM, and hear from pioneers in quantum technology.
- A high-impact quantum innovation event where selected startups pitch to investors, industry leaders, and mentors and gain structured support to move from concept to commercialization.

Who you will meet ?

- Startups · Investors · Researchers · Industry Leaders
- Students · Entrepreneurs

What you will experience ?

- Learn about IISc quantum ecosystem framework
- Gain insights from NQM hub leads and leading quantum experts
- Partnership and innovation opportunities
- Explore lab to market strategy
- Engage with high-impact quantum technology pitches
- Learning, upskilling, and networking

Chief Guest

Shri A. S. Kiran Kumar

(Former Chairman, ISRO)
